

## Adj. A/Prof Melinda Newnham

*BDS(c)(WA) FRACDS DCD(Perio)FRACDS(Perio)FADI FITI FICD FPFA*

I am an experienced periodontist practising in Moonee Ponds & Ascot Vale. I love meeting patients for the first time and value welcoming patients that I have seen before.

Professional interests include periodontal treatment for patients with complex medical profiles, aesthetics, dental implant placement and treatment of peri-implantitis.

### Current appointments:

- 2024 - started **Affinity Periodontics & Implant Dentistry**
- 2022 - academic lead – Periodontics for **La Trobe University**, School of Oral Health Sciences, Bendigo
- 2022 - study group founder & codirector of **Women in Implantology** – WIN Australia
- 2010 - consultant periodontist for **Alfred Health**
- 2009 – lecturer, clinical mentor and supervisor for postgraduate periodontics students, **University of Melbourne**.

I am the proud mum of two energetic sons and love reading, gaming, cooking, resistance training and being a tourist.

affinity periodontics  
& implant dentistry
