

## Adj. A/Prof Melinda Newnham

*BDSc(WA) FRACDS DCD(Perio)FRACDS(Perio)FADI FITI FICD FPFA*

Melinda is an experienced periodontist practising in Moonee Ponds & Ascot Vale. She loves meeting patients for the first time and value welcoming patients that I have seen before.

Melinda's professional interests patients with complex medical conditions, aesthetics, dental implant placement and the treatment of peri-implantitis.

### *Career History:*

- 2024 - founded **Affinity Periodontics & Implant Dentistry**
- 2022 - academic lead (Periodontics), **La Trobe University**, Bendigo
- 2022 – ITI study group founder & codirector, **Women in Implantology**, WIN Australia
- 2010 - consultant periodontist, **Alfred Health**
- 2009 – 2024 - clinical supervisor and examiner, postgraduate periodontics students, **University of Melbourne**
- 2006-2024 – associate clinical periodontist in Moonee Ponds.

Melinda is the proud mum of two energetic sons and loves reading, gaming, cooking, resistance training and being a tourist!
